Dataset Overview

Total customers

8,000 customers

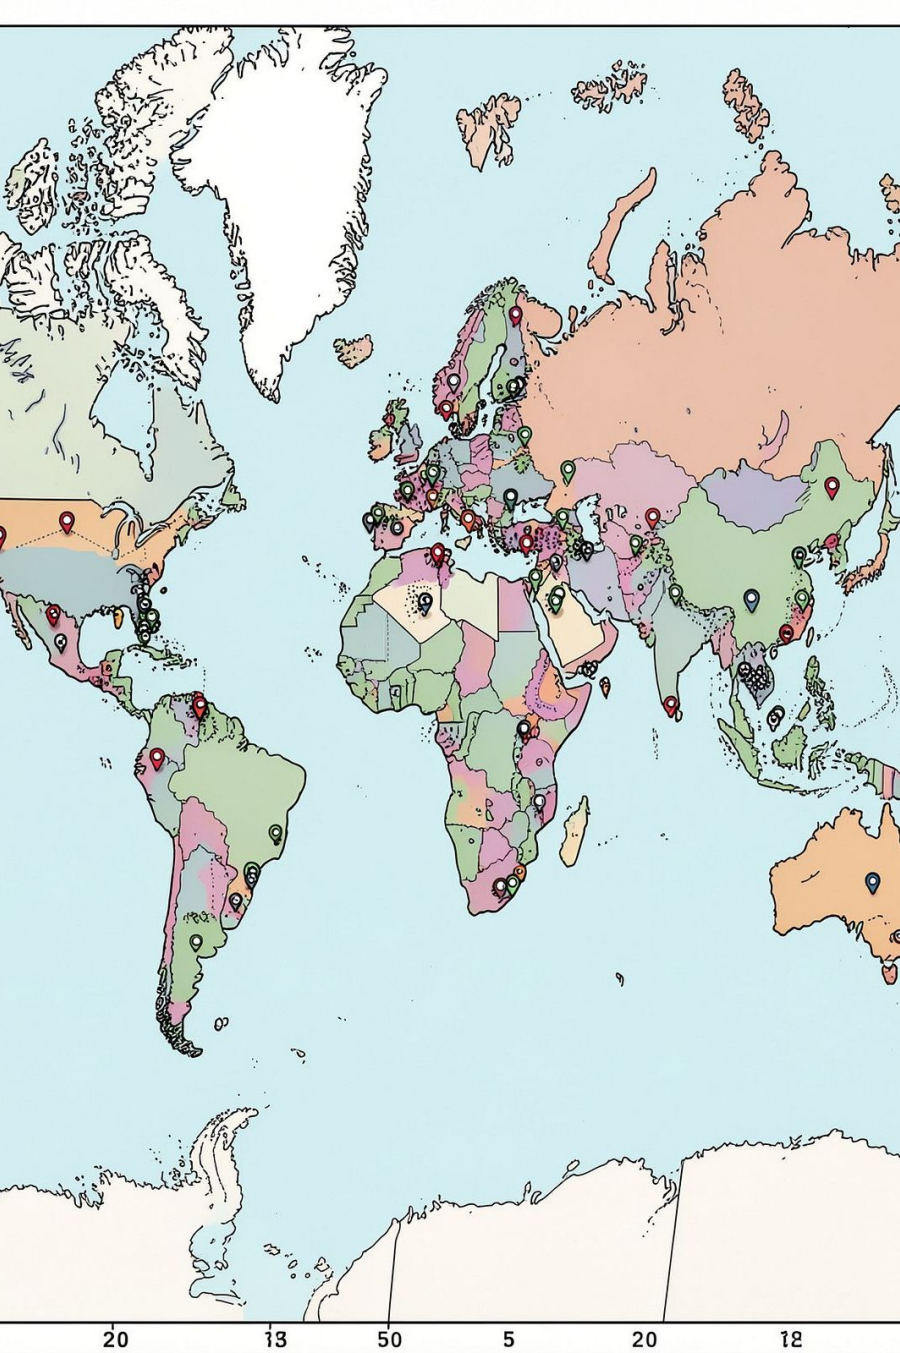

Geography

Multiple countries (global distribution)

Key markets

United States largest

Customer Locations

France · UAE · Canada · Singapore · United Kingdom · Netherlands · Brazil
· Mexico · Japan · others

Customers — United Kingdom

Count

800 customers

Note

Subset of global base

Membership Tiers

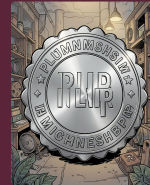

Free

4,443 members

Gold

1,177 members

Platinum

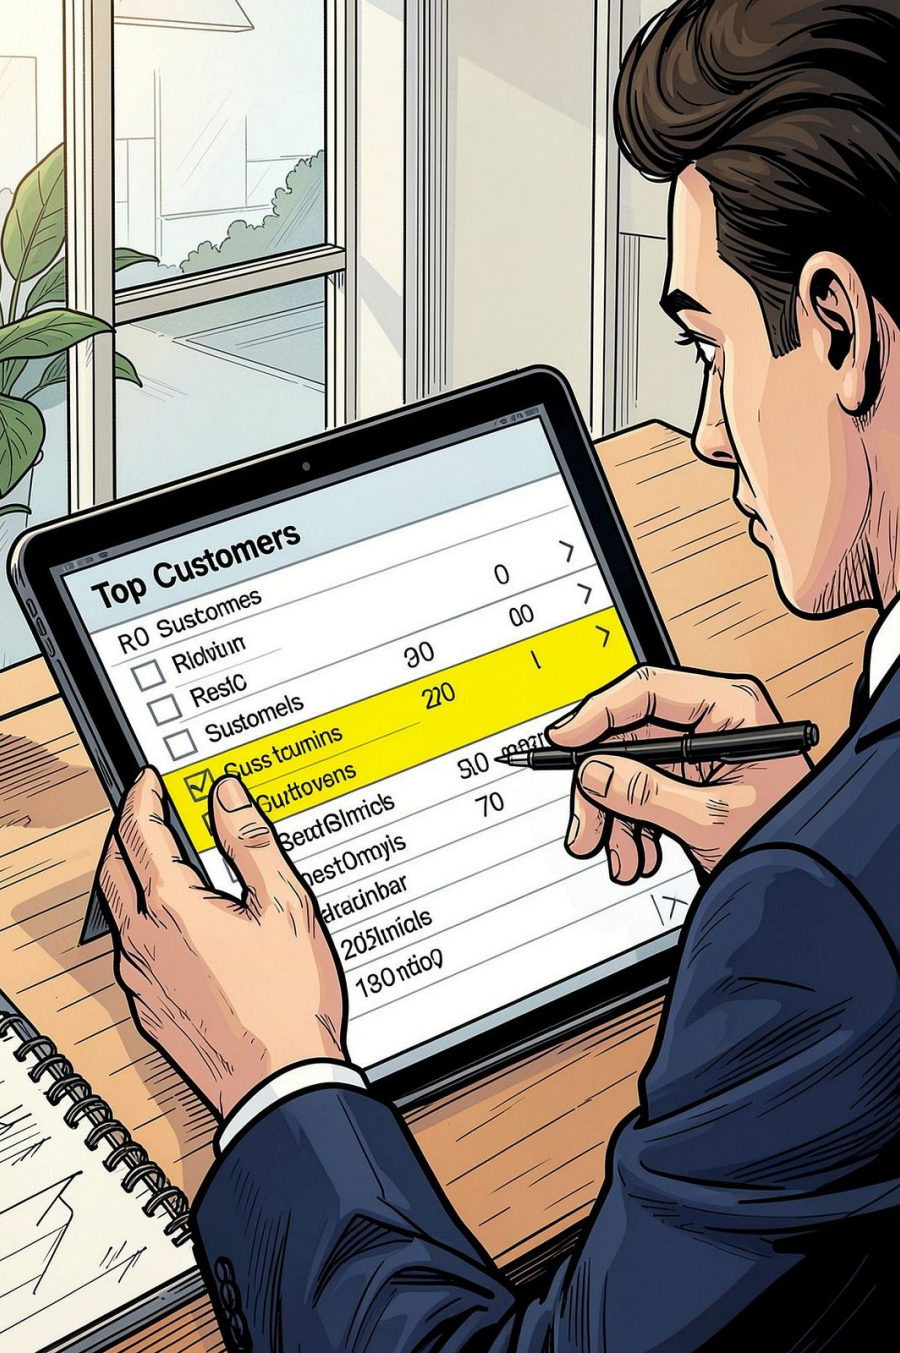

644 members

Silver

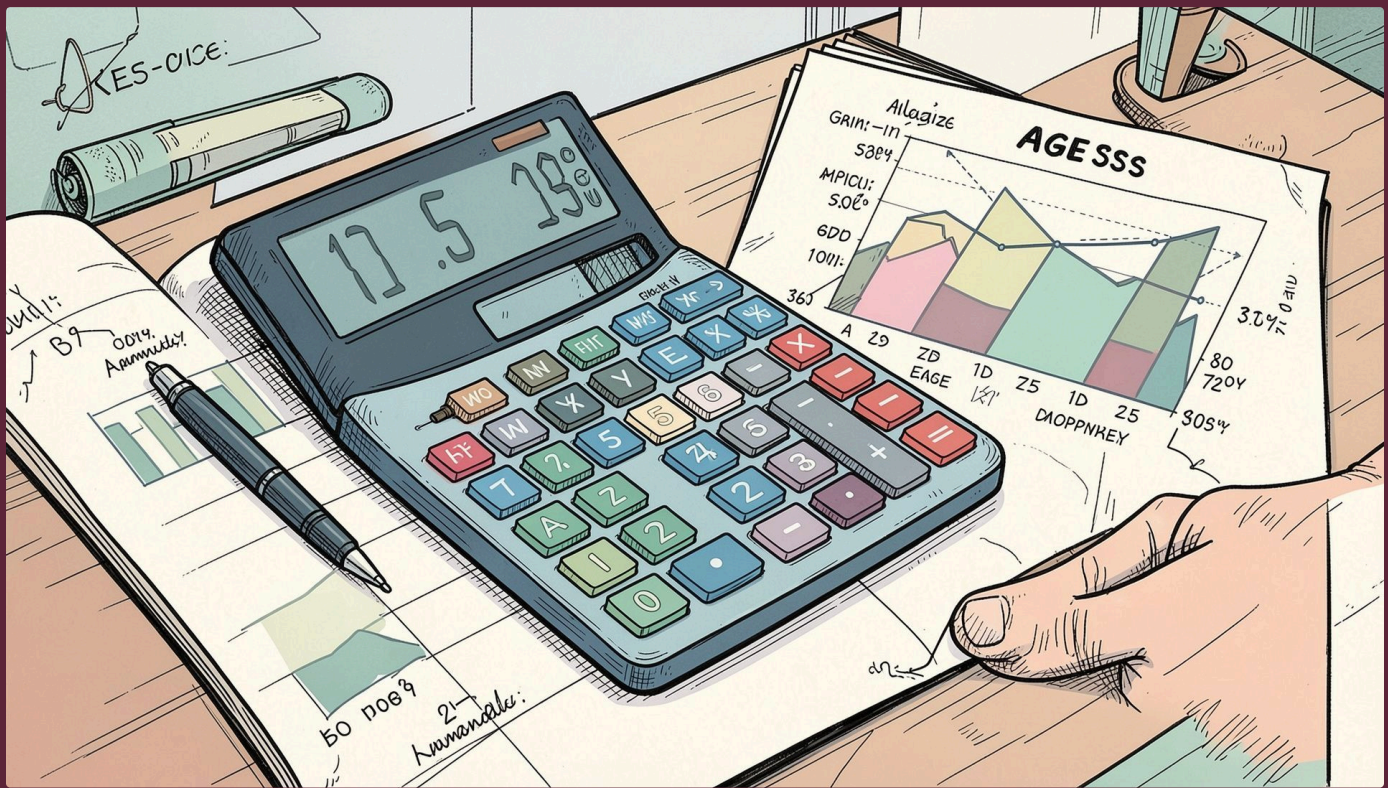

1,736 members

Free tier largest · Platinum smallest

Top 10 Customers by Spending

Highest spender: C01432 (United States) — \$6,128.48

Customer Averages

Average age

35.62 years

Average spend

\$1,558.64 per customer

Spending Totals & High-Value Customers

Total spending

\$12,469,138.80

Customers > \$1,000

3,549 customers

Churn

715 churned customers

📌 Monitor retention — material segment lost

Key Findings — Summary

Scale

8,000 customers • global

Top market

United States — 2,509 customers

Membership

Free = 4,443 (largest)

Value

Avg spend \$1,558.64 • Total \$12.47M

Risk

715 churned customers

Next steps: retention focus, target high-value segments
